03/01/2005

No Jive Productions, Inc is moving a step closer to its dreams. From a hundred and fifty square feet of office space into seven hundred square feet of office space. This has been one of our biggest accomplishments for 2005. Our new office is located at 16604 NE 3rd Avenue, North Miami Beach right next to the Weststar gas station. With having a bigger office means more commitment from the community to help No Jive Productions, Inc become a larger family based organization.

## BACK TO SCHOOL JAM

**No Jive Productions, Inc** seeks your support for our upcoming **“Back To School Jam” scheduled for September 16, 2005.** This event is one of our most successful presentations. We tour three public schools once a year with a high profile celebrity and/ or role model. The purpose of this event is to educate and challenge our teens. Greatness is their birth- right and by accomplishing this with an education it can only lead to bigger and better challenges. The artist/role models will talk about reading, math and how important these subjects are in everyday life events.

This event will also kick off the school year on a positive note. By donating, you will not only be giving to the cause of this event, you will also be donating to the teens that will listen and make something positive happen with their education. Your donation is crucial to our ability to create this.

## DONATIONS

No Jive Productions stands as a symbol for how the arts can be used to enrich our lives. Our success has been made possible because it is community productions funded by individuals. None of these programs would be made possible without ongoing support. We continue to face the extraordinary ongoing challenge of raising the funds necessary to produce the many programs that our communities have come to enjoy. This is always a formidable task but with your partnership this can be one we can achieve.
